

Supplies Drive for Our Mitzvah Day Partners

UJC MAKE A MIRACLE MITZVAH DAY

ImpactHK

Our goal is to make 300 Mini-First Aid Kits for ImpactHK. In order to do this we need:

- Band-aids/plasters (need at least 900)
- Snack size zip-locking plastic bags (300)
- Alcohol wipes (at least 900)
- Small tissue packages (300)

RUN

RUN is a charity that supports vulnerable refugees in Hong Kong.

RUN does not always receive enough personal care items to support its clients. We want to help replenish their supplies. To do this we need:

- Lotion*
- Shampoo
- Hair conditioner
- Body wash
- Toothpaste
- Toothbrushes (adult and child size)
- Sanitary pads of all sizes
- Baby wipes
- Toilet rolls/Toilet paper

*Many of **RUN**'s clients are from equatorial Africa and suffer greatly with dry skin during the winter, so good quality lotions are especially needed.

Please drop off your donations in the containers outside The UJC Sanctuary or at The UJC office by Friday, 9th December or bring your donation with you to the Garden Room on Mitzvah Day.
