## About the Amazing Race

This is a fun, scavenger-hunt type race open to all members and ages. Teams will be comprised of families or a group of up to four adults. The race will begin at Hong Kong Park and finish at The UJC at noon and the day will conclude about 12:30PM. Competing in the race will involve solving puzzles and following a map to find specific locations or perform a specific activity. The race route does include stairs/hills. Participants are free to skip stages of the race or cut the race short. At noon, we will regroup at The UJC Sanctuary for an ice cream social and a chance to meet young leaders from Kibbutz Holit.

## About Kibbutz Holit

Kibbutz Holit is a small agricultural community of about 200 members located on the border with Gaza. The attacks of October 7 devastated the community and left 6 children orphaned. This unprecedented tragedy has not dampened the members' resolve to return and build an even more hopeful community for their children and Israel. As part of The Hong Kong Jewish Alliance, The UJC is working to support projects to sustain the Holit community as they wait to return to their homes and rebuild their community. All funds raised by The Amazing Race will be used to support these efforts.
