

UJC Tree of Life

The UJC is proud to offer its members the opportunity to create a permanent remembrance for simchas such as a B'rit, Bar/Bat Mitzvah, wedding, special birthday or anniversary. You can do so by purchasing a leaf on our Tree of Life.

Donations from the leaves support the UJC and its religious festivals and programs. We ask you to contribute at least HK\$1,800 per leaf, but we encourage you to honour those you are remembering with a larger gift if possible.

Below is a sample leaf and space for you to write the full details to be inscribed on your leaf. Please complete the form below and return to the UJC office. The inscription and installation of the leaf(s) will take approximately one month. You will be advised when the process is complete.

The leaf will look similar to the sample shown below.

Please inscribe the following name and information, and include it on the UJC Tree of Life:
(Attach a separate sheet, if more than one leaf is to be donated.)
