# BOB GREEN'S *A JEWISH HEART*

**A History of UJC and the  
Hong Kong Jewish Community**

Join **The Bookhers** as we read our own founder Robert Green z"l memoir of the founding of the United Jewish Congregation of Hong Kong and of the history of Progressive Judaism in Asia: ***A Jewish Heart: The Struggle for Status and Identity in Asia***. Bob's saga captures the history of the development of the community, the key players (including the Sassoons and the Kadoories), and the chaotic history that led to the establishment of the UJC in Hong Kong. Concurrently, he chronicles the establishment of a vibrant Reform congregation, braided with Jewish lore, and the struggles of visionaries hoping to make Hong Kong an oasis of Jewish worship, learning, and recreation in Asia.
